### **Occupational Safety and Health Program**

The Department of Treasury supports the State of Michigan Occupational Safety and Health management system guidelines for implementing effective safety and health practices by:

1. Ensuring Treasury employees have a safe and healthful place in which to work.
2. Enabling Treasury management to identify and eliminate occupational safety and health hazards.
3. Ensuring the Treasury Safety and Health Program is and will remain in compliance with Michigan Occupational Safety and Health Act (MIOSHA) standards, as stated in Public Act 154 of 1974 Occupational Safety and Health Act.
4. Developing and implementing training programs for Treasury employees to foster safety and health awareness both on and off the worksite.
5. Ensuring Treasury remains in compliance with Article 22 of the United Auto Workers (UAW) and Michigan State Employees Association (MSEA) labor contract agreements regarding health and safety.
